FAQ'S :

**Academics**

Q1. Is the 2 + 2 ITP applicable to all branches at VIT-AP?

Yes, it is applicable to all the branches at VIT-AP.

Q2. Will ECE (VLSI) and ECE (Embedded Systems) students be eligible for ECE jobs?

Yes, they will be and will have the same placement opportunities.

Q3. Will CSE (Data Analytics) and CSE (Networking & Security) students be eligible for CSE jobs?

Yes, they will be and will have the same placement opportunities.

Q4. Are ITP and SAP available at VIT-AP?

International Transfer Programme allows you to complete the second half of your programme at a reputed international university. The semester abroad programme lets you study one semester abroad. Both opportunities are available at VIT-AP based on your performance.

**Q5. What can you say about the curriculum of VIT-AP?**

The curriculum is designed with input from industry and academia. It is ever-evolving and geared toward keeping abreast of the latest developments in research and industry. In addition, the Amaravati campus has a mandatory full-semester co-op programme (internship). This will provide work experience to the students and boost their placement opportunities.

**Q6. What are the placement opportunities at VIT-AP?**

The VIT group has a Placement Centre that is the best in the country. The exact placement cell is also responsible for the placements of VIT-AP students. The central placement cell and the placement officers located at VIT-AP will handle the placements with the same care we are best known for. Most companies are expected to visit the Amaravati campus for recruitment. However, there might be a few companies for which a visit to Vellore might be required.

**Q7. How would you describe VIT-AP's International Relations?**

Our experience of running VIT for the past 33 years in Vellore is being put to full use at VIT-AP at Amaravati. Like the Placement Centre, the IR Office is common to all VIT campuses. Our partnerships with reputed foreign universities like Purdue and RIT would continue at VIT-AP, letting students participate in programmes such as the Semester Abroad Programme (SAP) with scholarships and 2+2 degree programmes through the International Transfer Programme (ITP). Professors from universities abroad visit our Amaravati Campus to teach the students.

**Q8. What can you say about the Alumni network?**

The global VIT alumni network is of immense help to the VIT-AP students, as it is to other VIT campuses. You can find an alumni mentor in most companies and in most countries you visit.

## **Facilities**

**Q1. What are the facilities for sports and extra-curricular activities?**

Various sports, clubs, chapters, and vibrant activities enable holistic development at VIT-AP. Many are student-driven to develop leadership skills and aid the overall growth of the students. The clubs and chapters include Debate Club, Dance Club, Dramatics Club, Photography Club, Google Developers Club, Health and Wellness Club, Culinary Club and much more.

**Q2. What transport facility is available for the students?**

New WiFi-enabled and secure buses are available for the students. Please see our website for bus routes.

### **Hostels**

Q1. What are the food options available to students in the hostels?

The mess is arranged on the ground floor of both boys' and girls' hostels, which provides both vegetarian and non-vegetarian options. A canteen is available for day scholars.

Q2. How often are outings permitted?

During weekends, outing permission is given to hostellers.

Q3. What are the hostel facilities available?

Each hostel room is furnished with a cot, chair, reading table, and cupboard. Provision stores are located in the hostels, where students can buy essentials such as mattresses, pillows, buckets, mugs, locks, stationeries, books, soaps, etc. The hostels are compounded with security details and security cameras. Wardens are available 24x7, and a doctor is also available.

Q4. How is the hostel room allotment done?

The allotment is done based on the preference of your room type and availability. The rooms are allotted on a first-come, first-served basis, after payment of hostel fees.

### **General**

Q1. Is there a health centre in case of any emergency?

Yes, there is a health care centre and ambulance facility.

### **Location**

Q1. Where is the VIT-AP campus located?

The campus is located at Inavolu, Amaravati, which is about 2 km away from the AP secretariat.

## **STARS : About STARS**

Philanthropy makes a big difference in people's lives. On these lines, Our Beloved chancellor, Dr. G. Viswanathan, has taken several community development initiatives for the betterment of society. STARS (Support the Advancement of Rural Students Scheme) is one such philanthropic activity that started in 2008. It aims at enhancing the rural students' quality of life. Since 2008, rural students of Tamil Nadu have been admitted through the STARS scheme. Each student's story is an inspiring story of change. Daily wage labourers and domestic helpers find it challenging to educate their children due to their unstable income and difficult living conditions. Their children, who are academically brilliant, continue to live their lives in poverty like their families or settle down to basic jobs which satisfy neither their basic needs nor their intellectual hunger. While many people in our society ignore these hard facts and go ahead with their lives, VIT Management Stands tall as it takes these children in its fold through the STARS scheme. Financially disadvantaged children don't have to stop dreaming of becoming an Engineer. VIT STARS Scheme helps these students from underprivileged backgrounds achieve what they deserve by awarding them a 100% fee waiver for their academic and hostel facilities, including basic medical expenses.

“ A Child should never be deprived of quality education owing to poverty. This forceful thought in my mind became the seed that gave birth to the innovative STARS Scheme “

-Dr. G. Viswanathan, Chancellor, VIT- AP

## **STARS Eligibility Criteria**

Students who have taken Maths, Physics and Chemistry subjects alone are eligible under this scheme.

This opportunity will be limited to one student in a family.

The annual income of the family should be below Rs 1,50,000/-.

Only top five boy and girl students who have studied in junior colleges under rural panchayats are selected for the scheme (Junior colleges located under Corporation, Municipality, Town panchayat limits are not eligible).

The list of junior colleges eligible under the STARS scheme will be published in the University website : [www.vitap.ac.in](http://www.vitap.ac.in).

Such identified district toppers will be called for an interview based on marks secured in their intermediate board examination. Among them, one male and one female student will be admitted, after the results are published.

Final admissions to STARS scheme will be decided by the University.
